Field of dreams
Will you give me the means
To hide my fears
In this world full of tears

Give me your love
Keep me above

I wanna sleep
in a field of my dreams
I wanna dream
of a field full of dreams

Set me free
Give it to me

Hold me
Heal me
Save me
Give me
Protection
Attention
Affection
Hold me
Heal me

We wanna sleep
in a field of our dreams
We wanna dream
of a field full of dreams

Give us your love
Keep us above

Field of dreams
Will you give us the means
To hide our fears
In this world full of tears
Would you please
