

NOT THE MAN (C) Dreamfield

I'm not the man I wanted to be
I'm not the guy girls wanted to see
I'm not the son parents proud of me
I'm not the one who got it for free
I'm not the father for his child
I'm not the husband for my wife
I'm not the boss, for his dog
I'm not worthy of my life

But I'm trying to be
A father to my children
But I want to be
A brother to my brothers
But I love to be
A husband for my wife
And I wish to be
A friend to my friends

I wanna live like others do
I wanna give more love to you
I wanna be a succesful man
I wanna achieve what others can

But I'm too shy to make it alone
I prefer to stay at home
I hate parties and weddings too
Don't like people talking 'bout you

refrein

I'm not the man to stay in front
Not going further than beyond
People think I'm a boring man
Sometimes I think I really am

I wanna change my way of life
But now I'm bound to my wife
I belong to this destiny
Now I'm close to insanity
